Media Centers and Services

Curriculum Guides

This regulation supersedes Regulation 6116.

I. PURPOSE

It is the purpose of this regulation to establish procedures for the development and acquisition of curriculum guides.

II. PROCEDURES

A. State Guides

Curriculum guides published by the Virginia State Department of Education are distributed to schools by the state.

B. State Audiovisual Catalogs

The Audiovisual Instructional Materials catalog and the WTVT File 53 video program list are distributed by the Office of Media Services. Schools may order additional copies on INV-10 forms from the Office of Media Services.

C. Local Guides

Curriculum guides developed by the Department of Instructional Services are to be used as resource materials to supplement the official program description contained in the Program of Studies. They reflect school division policy and philosophy and are compatible with State Board of Education policy and directives. Schools should consult Section F of the Program of Studies for ordering information.
