Student Accounting Procedures

This policy supersedes Policy 6510.1.

I. PURPOSE

To establish student accounting procedures to conform to requirements prescribed by federal and state law and Virginia Board of Education regulations.

II. SUMMARY OF CHANGES SINCE LAST PUBLICATION

A. The title block category for this policy changed from Customer Products and Services to Student Information Accounting and Management.

B. Legal references were changed to add Code of Virginia section 22.1-261.

C. Section III. was added to provide the definition of student accounting.

III. DEFINITION

Student accounting is quantitative information related to enrollment and attendance gathered on students in Fairfax County Public Schools (FCPS) for reporting to local, state, and federal authorities. FCPS uses a centralized student accounting system to satisfy all accounting requirements.
