

**FACILITIES**

**Site and Building Acquisition and Disposal**

**Site Acquisition**

This policy supersedes Policy 8320.

**I. PURPOSE**

- II To establish a policy for school and building site acquisition.

**II. ACQUIRING SITES**

- II The School Board shall acquire school and building sites for future development by negotiation, dedication, or condemnation.

**III. CONSIDERATIONS**

Factors such as cost, location, county master planning, school size, anticipated growth, and timing, as well as the availability of adequate sewage, water, and other utilities, shall be considered during site acquisition.

Policy
