FEG. CONSTRUCTION PLANNING

No public school building or addition or alteration thereto, for either permanent or temporary use, is advertised for bid, contracted for, erected or otherwise acquired until the plans and specifications therefore have been approved in writing by the superintendent and are accompanied by a statement by an architect or professional engineer licensed by the Board for Architects, Professional Engineers, Land Surveyors, Certified Interior Designers and Landscape Architects that such plans and specifications are, in the professional opinion and belief of the architect or professional engineer, in compliance with the regulations of the Board of Education and the Uniform Statewide Building Code. The superintendent's approval, architect's or engineer's statement and a copy of the final plans and specifications are submitted to the Superintendent of Public Instruction.
