BOARD POLICY

No. 4320

COMMUNITY RELATIONS

Distribution of Information Through Students

The schools may communicate information through students regarding schools, school programs and non-school programs offered by nonprofit organizations that in the opinion of the principal have social, recreational or educational value to the students. The principal shall establish appropriate safeguards to prevent the exploitation of students by individuals or groups.

Any nonprofit group that seeks to distribute information about its program shall submit a description to the superintendent/designee. The approval process required for distribution of information through students can be initiated by contacting the district's Communication Office.
